Value & Innovation

MJC Companies™ began in 1972 and is one of Michigan's largest privately-held affiliated building companies. MJC™'s hands-on commitment is supported by a team of dedicated professionals whose business ethic and corporate philosophy are based on the human values of honesty, mutual respect, courtesy and integrity.

The company has the experience needed for the entire life cycle of building, construction sales and customer service. Since 1972, they have built and closed over 12,000 homes and condos in prices ranging from \$70,000 to \$2 million. With deep roots in an array of communities within Macomb, Oakland and Wayne counties, they have garnered a reputation for value and innovation with single-family homes and condominiums that offer a carefree lifestyle in desirable neighborhoods. MJC Companies™ is excited to be a part of Michigan's rich history and is confident in the future of the state and dedicated to the families who live here.
