Space graciously arranged drives the interior layout of this charming plan. A grand foyer is the hub with convenient coat closet, powder room, adjacent library and full view of the family room, with its corner placed fireplace and cathedral ceiling. The ceiling repeats in the master suite where generous windows can be enhanced with a bay window option; a walk-in closet and in-suite bath meet all your daily needs. The kitchen overlooks a charming dining nook; and the spacious laundry room separates the kitchen from the two-car garage. On the lower level, a recreation room, another bedroom and bath and lots of storage create even more possibilities.
