2,130 sf

ELEVATION A

Beautiful shake siding and brick accent the contours of the first floor of the elevation with decorative brackets, transom windows and vents highlight the three gables of the roof.

THE NEXT GENERATION OF STYLE

MJC homes are a lot like custom homes without the expense and added stress of starting with a blank canvas. Begin by browsing our newest collection of modern living designs and personalize the spaces that matter most to your family. Want a special style of cabinets and countertops? Unique flooring options? It's up to you. Personalize one of our award-winning home designs to your heart's content. Then sit back and watch your worry-free building experience unfold. Come explore your options to live better with MJC.

A Wide Choice of Elevations Creates a Varied and Appealing Streetscape in Your Neighborhood.

ELEVATION B

A heightened foyer ceiling with large transom above the front door will flood light into the main living area. Brick and trim arches above the windows and garages, large shutters and varied roof line heights add visual interest and curb appeal.

ELEVATION C

Stone and brick add an elegance to the façade of this elevation. Additional flourishes include the roof overhang and brackets above the garage, a window, shutters and decorative trim on the roof gables and brick arches above the foyer transom and front bedroom windows.
