First Level	2,262 sf
Second Level	2,052 sf
Total	4,314 sf

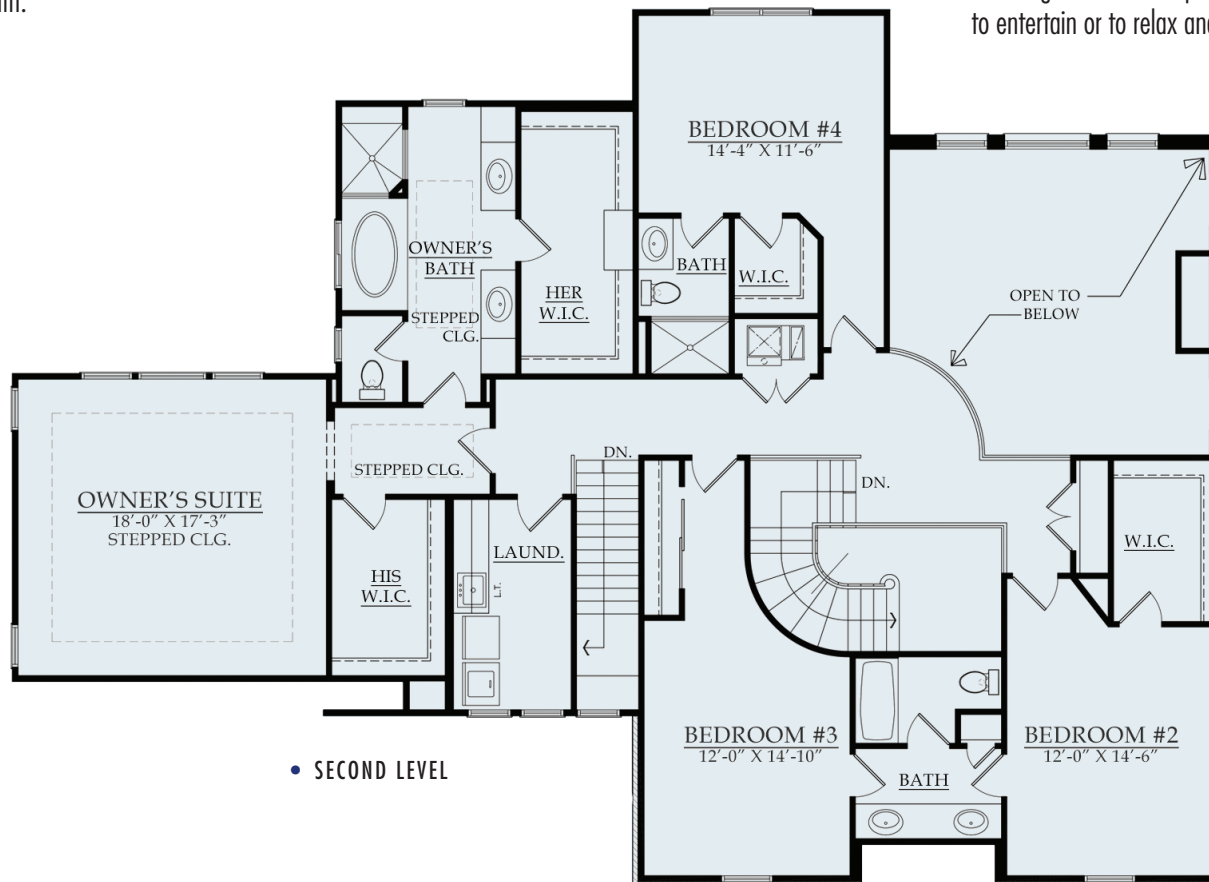

The Reserve Tanglewood's grand first impression begins at the foyer and its two-story circular staircase. The main level's open concept design includes the huge island kitchen, harvest and sitting rooms and two-story family room with three double height windows. The first floor also includes a quiet study and formal dining room. The 3-car garage opens to a mud room, home office, half bath and rear staircase to the second level.

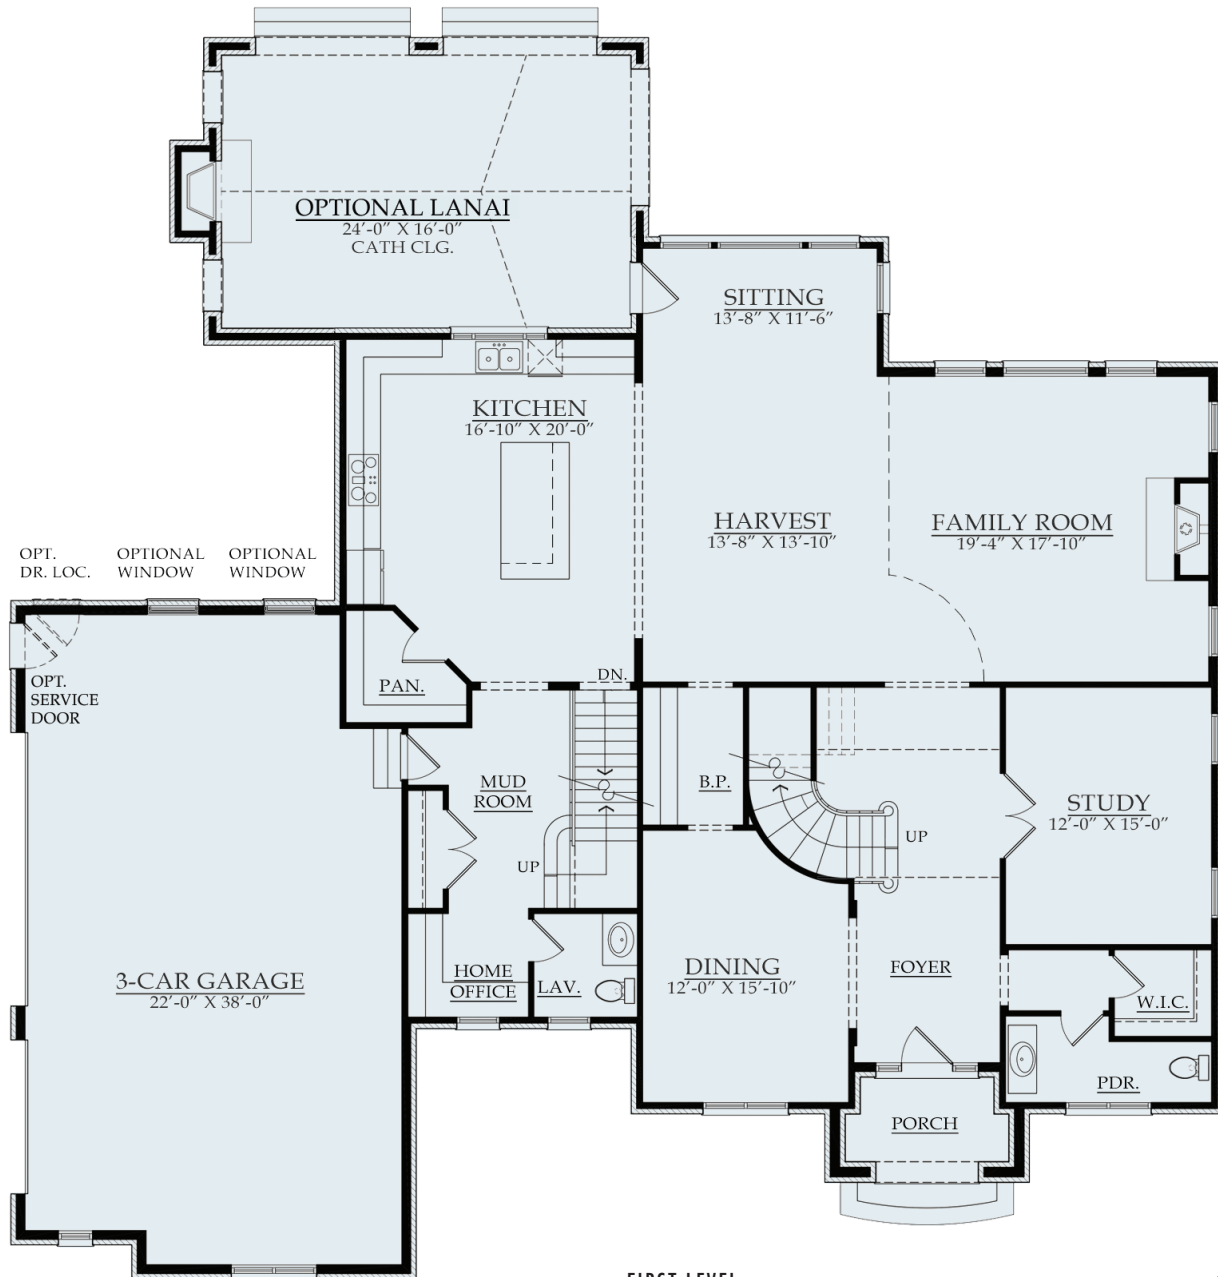

Upstairs, you discover a spectacular owner's suite in its own private wing with a spa bath, his-and-hers walk-in closets and a laundry center. There is another full guest bedroom suite, plus two children's bedrooms, which share a spacious Jack-and Jill-bath.

OPTIONAL LANAI

As homebuyers are looking for interesting new design touches, efficient spaces and indoor-outdoor connections, MJC is leading the way including lanais as an option. These outdoor rooms provide a great way to entertain or to relax and enjoy the scenery.
